Speaking in Thumbs Oct 29 2020 An essential look at the love language of texts, helping you decipher the personalities of online daters, the subtle signals from your romantic partner, and the red flags hiding in plain sight. "Don't even think of swiping right again until you read this book." (Christie Tate, author of Group) When it comes to modern relationships, our thumbs do the talking. We swipe right into a stranger's life, flirt inside text bubbles, spill our hearts onto the screen, use emojis to convey desire, frustration, rage. Where once we pored over love letters, now we obsess over response times, or wonder why the three-dot ellipsis came . . . and went. Nobody knows this better than Dr. Mimi Winsberg. A Harvard- and Stanford-trained psychiatrist, she cofounded a behavioral health startup while serving as resident psychiatrist at Facebook. Her work frequently finds her at the intersection of Big Data and Big Dating.

Like all of us, Winsberg has been handed a smartphone accompanied by the urgent plea: "What does this mean?" Unlike all of us, she knows the answer. She is a text whisperer. Speaking in Thumbs is a lively and indispensable guide to interpreting our most important medium of communication. Drawing from of-the-moment research and a treasure trove of real-life online dating chats, including her own, Winsberg helps you see past the surface and into the heart of the matter. Are you seeing someone else?--without sending a potential partner heading for the hills? Insightful, timely, and impossible to put down, Speaking in Thumbs is an irresistible guide to the language of love. With wit and compassion, Winsberg empowers you to find and maintain real connection by reading between the lines.

Chasing a God You Don't Want to Catch Feb 13 2022 We Are So Quick to Say We Want "More" of God, but Is That Really True? As strange as it may sound, the most misunderstood, misrepresented, and potentially the most feared person in Christianity may very well be God Himself. Even seasoned Christians often view God as frightening, untrustworthy, and distant. But nothing could be further from the truth. Author and filmmaker Darren Wilson takes a funny yet poignant romp through Scripture, revealing a long-time Christian's hang-ups and fears of a God he was supposed to love. Wilson looks at questions such as: Is God selfish, silent, distant, and constantly disappointed in you? How do you love someone you can't see and who has the power to punish you at any moment? How can a loving God throw people into hell simply for not believing in Him? Wilson encourages readers to be honest with themselves and with God. He challenges us to face the things many Christians struggle with but are too afraid to talk about because everyone else seems to have this faith thing figured out. He believes God isn't afraid of our questions, doubts, fears, or even our anger. The secret to peace and friendship with God lies in understanding who He really is.

The Spiritual Mechanics of Love Aug 07 2021 Many people wonder what makes relationships work or why they often don't work, and how we can make them work; but everyone knows, somehow, how to keep a

relationship, either it lasts a few weeks, months or years; everyone knows, at the very least, some principles about love; and yet, because such principles don't apply in modern times and for most individuals, we still witness an increasing number of breakups and divorces, and this while gradually, more and more people, basically, keep on quitting putting the efforts to change themselves. On the other hand, what kind of efforts should people really be looking forwards to? Which studies truly help anyone in understanding what love is from a spiritual point of view? For as we barely started to comprehend what love is at a chemical level, a long way is needed to get the answers this book offers. Now, the majority of the people do believe they are putting the right efforts in their relationships, most of which focusing on communication; and yet, they also admit that they don't feel understood by their partner. And although communication is indeed the basis of any relationship, there are many other factors interfering with it, reason why we are never satisfied with our results. The whole world of energies around us and within us, manifests as well in our emotions, and that's why, sometimes, we also feel like we can't communicate with some persons. In order to do that effectively, we would have to understand this energy field; for there are spiritual laws and chemical principles that operate in the physical world too; and if we understand them, we can understand our relationships better. Once we apprehend these principles well enough, and put them to use accordingly, they will feel natural to

us, because, indeed, they are; and as you will see here, because these manifestations are occurring all the time, you will know too what to do in the right moment once noticing the information being displayed in your reality.
